COMPANY
PROFILE

About Us

Aljmra serves as a wholesale supplier for various industries, providing goods and other services for projects.

After a decade of consistent supply to numerous hotels and construction industries in the Maldives, Aljmra was established as a company. With a wealth of experience and the trust of our customer base, we have expanded our services to cater to a wider range of companies seeking to enhance their business with more diverse options.

We have established partnerships with manufacturers in China, Malaysia, Indonesia, and Turkey. Our primary focus has been supplying products to a wide range of hotels, resorts, and the construction industry. A significant portion of our client base comprises internationally renowned hotel brands.
